Objective:

To seek a promising position in an organization, this provides best opportunities to utilize my skills towards the betterment of the organization as well as development of my intellectual.

Academic performance:

Degree	College/School	University	Year of passing	Percentage
KSET	Cleared in the year 2019			
B.ED	Kanara Welfare Trust's B.Ed College, Dandeli	Karnatak University, Dharwad	2021	83.03%
M.Sc(Zoology)	Karnatak University, Dharwad	Karnatak University, Dharwad	2018	77.1%
B.Sc(CBZ)	Bangurnagar Arts, Science and Commerce college, Dandeli	Karnatak University, Dharwad	2016	86.03%
PUC	Bangurnagar Composite Pre-University Arts, Science and Commerce College, Dandeli	Karnataka Pre-University Board, Bangalore	2013	65%

SSLC	St. Michael's Convent High School, Dandeli	Karnataka Secondary Education Board, Bangalore	2011	88.64%
------	--	--	------	--------

Work Experience

- Worked as a Biology lecturer in Bangurnagar PU College Dandeli for 2years.

Computer proficiency

- MS Word
- MS PowerPoint
- MS Excel

Subjects

- Zoology (B.Sc)
- Biology (PUC)

Project (M.Sc):

Comparative studies on Growth and Reproduction of Epigeic Earthworms

The organic wastes generated in this region are not properly recycled, either dumped at low lying areas or it may be burnt with loss of many more plant nutrients therefore, the epigeic earthworms such as *Eudrilus eugeniae*, *Eisenia fetida* and *Perionyx excavatus* were chosen to study the potentiality of these earthworms in waste recycling and production of vermicompost .

Hence, the present work was undertaken to study various aspects of vermitechnology with following objectives

1. Studies on growth and reproduction of the epigeic earthworms in different organic waste foods.
2. Analysis of physico-chemical parameters of compost and vermicompost produced out of different organic waste foods.

Extracurricular activities

- Attended National Seminar on Reproduction and Development – The Present Scenario organized by Department of Zoology, Karnatak University, Dharwad and UGC-Centre with Potential for Excellence in Particular Area (CPEPA).
- Attended National symposium on Reproduction and Early Development organized by Department of Zoology, Karnatak University, Dharwad.
- Participated in 7th Kannada Sahitya Sammelan, Haliyal taluka Ghatak
- Participated in Nature Education Activities, organized at Castle-Rock, Joida.
- Participated and won prizes in dance, speech, debate, essay, scientific chart making competitions etc...

Strengths

- Good leadership qualities, also work as good team member.
- Give my best to complete the given task.
- Good at presentations.

Personal information
