Karnatak University Dharwad

2020 – 2022

Completed postgraduation with aggregate 84.7% ,secured 1st in the Department

B.Sc (Physics, Mathematics,Statistics), Raja

Lakhamagouda Science Institute ,Belagavi

2017 – 2020

Completed graduation with aggregate 93.57%

P.U.C,

Raja Lakhamagouda Science Institute,Belagavi

2015 – 2017

Completed P.U.C. with 83.5%

S.S.L.C, Maratha Mandal's English Medium

High School Belagavi

2005 – 2015

Completed S.S.L.C. with 91.68%

Projects

STATISTICAL ANALYSIS OF

CRYPTOCURRENCY, Initially collected the secondary data and analyzed it using statistical tool and data visualization using power BI. Then modeled the data with the help of regression techniques and interpreted the future values using ARMA model. Tools used :MS Excel, R programming, Python, Power BI

COMPARATIVE ANALYSIS BETWEEN ONLINE

AND OFFLINE SHOPPING, We started the project by collecting primary data by conducting survey and then analyzed the data and interpreted the results by performing ONE-WAY ANOVA
