Policy for Differently-abled (Divyangjan) Friendly Environment

Barrier Free Environment

A disability is any condition that makes it more difficult for a person to do certain activities or effectively interact with the world around them. These conditions or impairments may be cognitive, developmental, intellectual, mental, physical, sensory, or a combination of multiple factors. Therefore, the provision of accommodations or facilities should be personalized to the needs of the individual.

Right of Persons with Disabilities Act, 2016 prohibits judgement against individuals with physical and mental disabilities. Our institution is well aware of its role in providing essential guidance and counselling to the differently – abled students. All the authorities of the institution are striving in order to extend a helping hand towards the differently-abled to which the institution follows some good practices to support them. These guidelines apply to all the staff of the institution.

Objectives

- To create Inclusive Culture to avoid discrimination, exploitation and exclusion of Disable Students and Staff from all spheres of work and education
- To help students gain securities through improved function and increased ability to meet the physical demands of daily living
- To provide suitable facilities to the differently-abled students and staff in the institution
- To monitor and ensure the implementation and participation of persons with disabilities to provide them an equal opportunity for development
- To help students make satisfactory social and emotional adjustments to problems imposed by their disabilities

Policy
