

**K.L.E Society's
Raja Lakhamagouda Science Institute (Autonomous)
Belagavi**

Institutional Distinctiveness

Vision: To impart education for global excellence

Priority: Holistic development of students

Distinctiveness to its Thrust:

Recognizing its privileged position as a premier institute of higher learning, K.L.E Society's R. L. Science Institute, makes consistent efforts in fulfilling its social responsibility toward the downtrodden sections of society. The college authorities, staff and students believe that the true essence of empowerment lies in creating sustained forms of emancipation by generating lasting opportunities. Today the College is able to position itself as a reputed educational entity in fields ranging from academics, sports activities and cultural programmes by providing access to quality education for all.

Keeping in view, the national and international priorities, the institution has initiated the process of reviewing its academic programmes as well as the contents of the course curricula. The institution offers several community-relevant certificate and value added courses in areas of Environmental Sciences, Biotechnology, Computer Applications, and Communication Skills etc. Additionally, Industrial Tours and Field Visits are providing students with ample opportunity to develop personality and professionalism. The College encourages its faculty and students to participate in seminars and conferences and promote a holistic teaching-learning environment.

The spirit of mutual work, discipline, social responsibility towards community development and nation building is inculcated through NSS, NCC, Sports etc. The College contributes towards women empowerment by organizing various activities under the aegis of its Women Empowerment Cell and CASH. The nature care and environmental awareness is being promoted through various events like celebration of Wild Life Week Ozone day and World Environment Day. Use of renewable resources for example Solar Water Heater and Lamps are the unique examples of our eco-friendly behaviour.

Since establishment it is continuously involved in serving the cause of Higher Education and fulfilling the aspirations of students in pursuit of academic excellence.
