INSTITUTIONAL DISTINCTIVENESS

AVENUES FOR HOLISTIC DEVELOPMENT OF STUDENTS

“Education cannot be effective unless it helps a student open up themselves to life”

Holistic development essentially means the development of *intellectual, mental, physical and social responsibilities* in a student so that he or she is capable of facing the demands and challenges of everyday life.

Vision-Mission: Quality Science Education & Character building

K.L.E Society's Raja Lakhamagouda Science Institute inaugurated by Sir C. V. Raman, the Nobel Laureate, has a rich academic history of 87 years spanning over three generations of students. *Character building through Quality Science Education* being the mission, the Institute has established its distinctive approach towards this comprehensive vision by providing *quality science education*, while equipping students with knowledge and skills in their chosen stream, inculcate values, identify hidden talents, provide opportunities for students to realize their full potential and thus shape them into future leaders & entrepreneurs.

Distinctive steps taken

Enhancing Science Learning Experience - Through Innovative & Entrepreneurial Ecosystem

- **Research and Development Cell (RDC)** – Organizing various programs related to IPR, Research Methodology, innovations etc. in promoting research and to ignite research temper in the students and faculty.
- **Established Institution Innovation Council (IIC)** –A Ministry of Education, Govt. of India's programme that initiated various activities and created for the awareness of IPR, innovation and entrepreneurship skills through **Entrepreneurship Development Cell (EDC)** and created a vibrant local innovation ecosystem.
- **Honeywell Centre of Excellence for Youth Empowerment**– Through the center of excellence, students will be trained on advanced technologies such as cloud, big data, networking, RPA, artificial intelligence and machine learning
- **National Innovation Start-up Policy (NISP)** – Implemented to build, streamline and strengthen the innovation and entrepreneurial ecosystem in campus
- **Established Nodal Centre of Virtual Labs** –A National Mission on Education through Information and Communication Technology initiation. In **Virtual Labs** nearly 700+ web-enabled experiments were designed for remote-operation and viewing for the students and Faculty Members.
- **Membership with ICT Academy** - An initiative of the Govt. of India in collaboration with the State governments and industries promoting program in the areas of Faculty Development, Student Skill Development, Entrepreneurship Development, Youth Empowerment, Industry-Institute interaction, Digital Empowerment and Research
