Objectives:

The objective of this program is to motivate the students to choose the entrepreneurship as a career and to prepare the person to exploit the market opportunities for own business successfully. Objectives are

1. The ability to identify entrepreneurial opportunities among students and faculty that exist, those that represent untapped markets and underserved markets, and those that can be created by applying existing technologies to new fields and new markets.
2. The ability to create entrepreneurial opportunities through the invention, development and exploitation of entirely new ideas, products and services, and/or the creation of new industries, infrastructures, and ways of doing business.

Learning Outcomes:

Students will be able to:

- Explain the basic concepts of entrepreneurship and innovation
- Identify interests and capabilities.
- Determine the feasibility of an idea as a potentially successful business entity
- Distinguish among the entrepreneurial discovery processes.
- Assess opportunities for entrepreneurship and innovation
- Determine the potential for success in starting and running a business
- Assess global trends and opportunities for entrepreneurship
- Assess individual business ideas to determine viability, possibilities and options

Report

Institution's Innovation Council, R. L. Science Institute, Belagavi organized Impact Lecture Session on “**Entrepreneurship as alternative Career Option**” sponsored by MoE's Innovation Cell (MIC), AICTE through google meet platform on Friday, 24th June 2022 at 10.30 am. The webinar began with a warm welcome address and introduced of the resource person by Dr. Prashant B. Hiremath, Convener, Institution's Innovation Council, R. L. Science Institute, Belagavi to the audience who were connected via Google Meet. It was then followed by an address from Dr. (Smt). J. S. Kawalekar, Principal, RLSI, Belagavi, who spoke about importance of entrepreneurship, and thanked MIC, GoI. For the financial support to conduct impact lecture session from our institute.

Resource person Dr. **Bhaskar Gupta** Innovation Ambassador, Ministry of Education Innovation Cell, GoI., a man with a wealth of experience in the field of entrepreneurship and HR Development. The webinar began with him defining the term “Entrepreneurship” and stated that entrepreneurs work for the betterment of society. Passion, commitment, leadership skills and the ability to teach are some of the characteristics an entrepreneur should have. He laid emphasis on the birth and importance of novel ideas, which can lead to the creation of wealth for themselves and the society. An entrepreneur should also be a good mentor to guide and lead a team of people, as well as having multifaceted knowledge of the entrepreneur because the business environment is always changing and a need adapt to the current situation is paramount. There is also a need of funding the entrepreneurial Endeavour, which may be sought from government and private institutions, angel investors and through personal funding.

After the talk, the resource person took questions from the participants and answered all queries with clear and crisp information. Dr. Gangadhar B. Internship Coordinator, proposed vote of thanks and compeering was done by Miss. Rohini Kanabarkar, Student Coordinator, IIC.

The webinar received 162 registrations, it was attended by 46 people comprising of faculty and students of the college. A total of 36 participants filled the feedback form.

Resource Person Curriculum Vitae

Dr. Bhaskar Gupta, veteran academician cum research scientist and Director, NITRA Technical campus, joined as an officiating Director & Dean (A) at IIMT Group of Colleges, Greater Noida in 2020. Dr. Gupta completed his B.E. in 2001 and M. Tech with honors in 2006. While Electronics & Communication has been his core area, Dr. Gupta, in his academic career spanning for more than 19 years now, has taught various subjects at both UG and PG level in many renowned institutes such as AKGEC, ABES, IMS, and DIT. He is presently working as a President of IIC Cell & trained as an innovation ambassador by Ministry of Education innovation cell. He is also the coordinator for NISP & ARIIA. He has been taking sessions on innovations, entrepreneurship, design thinking, IPR, BMC, technology readiness level, critical thinking since last 10 years across the country. He is the startup founder. He has more than 2 Indian patents filed, 2 copyrights and 2 book chapters in CRC press.

Dr. Gupta wears many hats as an academic professional. His works, other than basic teaching, include publishing & presenting several papers in national/international journals, guiding M. Tech projects, working on various state & central govt. sponsored projects and travelling around USA, South Korea, Oman, Afghanistan, Dubai and Ethiopia on academic cum research mission in association with world's renowned universities. Notable amongst his R&D achievements are commercialization of 'Electronic Eye for blind people' in collaboration with MSME, Delhi, developing UAVs in collaboration with Korean aerospace industries association, South Korea, working on DRDO(CVRDE) sponsored project on robotics, completing NASSCOM based project on software defined radio, and mentoring students for Microsoft Imagine Cup competition under software category.

Dr. Bhaskar Gupta had been the Director of SSITM Aligarh, BIRTM Khurja and NITRA Technical campus Ghaziabad hence having substantial exposure to administrative affairs. Besides, he is fellow member of IEEE-MTT, IE (I), IETE and IIRS Dehradun. He had been six times coordinator for IIT-Delhi virtual lab program and working as nodal coordinator for IIRS-ISRO outreach program & IITM Swayam NPTEL program.
