To,

Dear Parent,

Warm Greeting from all of us

Kindly accept our warmest gratitude for reposing your trust in our Institute and admitting your Son/Daughter in this Institute. It is your faith that inspires us to strive for greater and greater heights, year by year.

Your response has strengthened our determination to work diligently in all aspects of teaching and learning. As an 'Autonomous' institution, we are more committed to raising the standard of learner centered education. Because of everyone's support and suggestions our institution is placed at 'A' grade successively for the third time by NAAC and we are now heading towards 4th Cycle of NAAC Accreditation.

We the college, teachers and you, the parents are working together to achieve a common goal : the overall development of your son/daughter. The college owes its own existence to its students and it naturally goes to great lengths to bring out the best in them by providing them with every opportunity.

It's time for all of us to get-together and talk about the various aspects of our children. With this in mind, a Parent-Teachers' meeting has been scheduled on Friday 31st March 2023 **at 3.00 p.m.** in Sir C.V. Raman Auditorium of our Institution. We understand how valuable your time is, but your wards future is more important. So, please make it a point to attend the meeting and share your valuable perspectives with teachers and other Parents.

Looking forward to meeting you personally on 31st March 2023 at 3.00 p.m.
