RECOGNITION

Institute Inaugurated By
Sir C. V. Raman
Nobel Laureate

**88 YEARS OF
EXCELLENCE
IN SCIENCE
EDUCATION**

ABOUT COLLEGE : KLE Society's Raja Lakhamagouda Science Institute was established in 1935 that signified the renaissance of the mind to the seekers of knowledge, in the pre-independent North Karnataka. Sir C. V. Raman, the Nobel Laureate inaugurated the degree course in science in 1944.

About Department : R.L. Science Institute has established the post graduation program in Chemistry in the year of 2018-19. The department is proud of its richly experienced, well qualified and highly dedicated faculty. The syllabi of all the courses are carefully designed and modified periodically to help students develop analytical thinking. The department has established research collaborations with various institutes. Many of the student projects work have been published in reputed journals and/or presented at National/International conferences.
