# Report on Internship Program: B.Sc. Data Science Department, KLE Society's Raja Lakhamagouda Science Institute (Autonomous), Belagavi

---

## Introduction

The B.Sc. Data Science Department at KLE Society's Raja Lakhamagouda Science Institute (Autonomous), Belagavi, in collaboration with ZeelCode Labs, Belagavi, successfully conducted a three-month internship program designed to equip students with essential skills and hands-on experience in the field of data science. This program was structured to prepare students for the dynamic and fast-evolving data science industry.

---

## Objectives

The primary objective of this internship program was to provide practical exposure and industry-level expertise to students in:

- **Data Science:** Focusing on Python programming and its applications in data manipulation, statistical analysis, machine learning, and data visualization.
- 

## Program Details

### Data Science Immersion with Python:

- **Partner:** ZeelCode Labs, Belagavi
- **Resource Person:** Mr. Bhushan Dongare, Co-founder, ZeelCode Labs, Belagavi
- **Duration:** 3 months
- **Commencement Date:** 8th June 2024
- **Classes Per Week:** 4 hours
- **Total Participants:** 11 students

The "Data Science Immersion with Python" program focused on advanced Python programming, data manipulation, statistical analysis, machine learning, and data visualization techniques. This rigorous training program was designed to bridge the gap between theoretical knowledge and practical implementation, preparing students for careers in the rapidly growing field of data science.

---

## CERTIFICATE

This is to certify that **Mr. Shridhar Dhange** of **B.Sc. Data Science KLE Society's Raja Lakhamagouda Science Institute (Autonomous), Belagavi** has successfully completed the Internship Programme on "**Data Science Immersion with Python**" in association with **Zeel Code Labs, Belagavi.**

**Bhushan Dongare**  
(Co. Founder)

**Principal**  
**R. L. S. Institute(Autonomous)**  
**Belagavi**

## Student Achievements

We proudly acknowledge the successful completion of the "Data Science Immersion with Python" program by the following students:

1. Mr. Chaitanya Irappa Loli
2. Miss Deepali Pawar
3. Mr. Harish Prabhakar Jambotkar
4. Miss Priya Vimalnath Payappanavar
5. Miss Priyanka M Omannavar
6. Miss Sanjana Patil
7. Mr. Shridhar Dhange
8. Mr. Shriram Patil
9. Miss Shruti Khurpe
10. Mr. Srujan S Bevinakatti
11. Miss Suprita Patil

These students have shown exemplary dedication and perseverance throughout the program, and their accomplishments are a testament to their hard work and commitment to learning.

Certificates will be presented to the students as a symbol of their achievements and as recognition of the skills and knowledge they have gained through this internship.

---

## Conclusion

The Data Science Immersion with Python internship program has played a pivotal role in shaping the professional futures of the participants by offering them real-world exposure and hands-on experience. The knowledge and skills acquired during the program will undoubtedly contribute to the personal growth of the students and help them excel in their careers.
